SOCIETY NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. William Dallas Carter announce the approaching marriage of their daughter, Minnie Priette, to Mr. William Haywood Langley. The marriage will take place early in December.

BRIDGE PARTY BY MESDAMES OETTINGER

Mrs. Jonas Oettinger and Mrs. Elmer Oettinger entertained a large number of friends yesterday afternoon at a bridge party at the Peace tea rooms. The hours were from 3:30 until 5:30.

The tea rooms were decorated with scarlet sage, cosmos and ferns, the bright colored autumn flowers showing up prettily against the background of green ferns.

Bridge was played at sixteen tables. Mrs. Warren Woodard won the high score prize, a pair of hand-painted candle sticks. Following the game, a salad course was served.

LITERARY DEPARTMENT WAS ENTERTAINED.

The literary department of the Woman's Club was entertained last night at the home of Mrs. J. W. Dailey with Mrs. Dailey, Mrs. J. W. Byrd and Miss Glover as hostess.

During the business session the club took up and entered into a discussion of the library club to be inaugurated by the department and supported by the Woman's Club as a whole. The aim of the department is to establish the nucleus for a large library for the town.

During the social hour which followed the business session the hostesses served refreshments.

Mrs. Walter C. Thomas, Fitzcharles Dry Goods Co., of Trenton, N. J.'s local representative will display samples and take orders for all of the new Fall and Winter materials at Sloop Drug Co., in Elm City Thursday and Friday of this week Mrs. Thomas will also appreciate your subscriptions and renewals to the leading magazines—Get your Christmas lists ready.

REPRESENTATIVE OF RED CROSS HERE.

Miss Emily Walker, field representative of the Red Cross, of Atlanta, Ga., is in Wilson today relative to the work of the "Clean Up" squad which will be in Rocky Mount November 21, 22, 23. Any Great War veteran who needs assistance or advice of any kind should go to Rocky Mount and tell his troubles to the "Clean Up" squad.

SHOULD PREPARE EXHIBITS FOR FAIR.

Mrs. J. L. McBride, home demonstration agent, urges that all ladies who have fancy work, canned fruit or other pantry products, such as cake, and biscuits, present them at the exhibit hall at the Fair Grounds by Monday in preparation for the County Fair which opens Tuesday morning.

Practically every woman is adept at something. She can sew or maybe she can make good biscuits. She should by all means offer some samples of her work at the fair. If the ladies will consult the premium list they will see the articles which will be gladly accepted.

The articles for exhibit should be at the exhibition hall early. The books will close at 11 o'clock Tuesday morning. The exhibit hall will be closed at night and guards will be placed about the hall. So there is every assurance that the articles in the hall will be molested. No person should be afraid to leave their property over night.

GREAT SINGER COMING TO WILSON.

Some real treats come to Wilson. Local people do not have to go to the larger cities for all of their musical and intellectual food. Such organizations as the Woman's Club, the Rotary and Kiwanis Clubs, and the Fair Association bring interesting people and interesting programs to Wilson.

The music department of the Woman's Club is bringing to Wilson on November 1, an artist of merit, Mme. Langenhan, a soprano who has pleased audiences in all parts of the country. Her program will be very much worth while.

She is a favorite in New York. And the New York Evening Post has this to say of her voice:

"Her voice is powerful and of an agreeable quality, and she has the faculty of entering into the spirit of each song she sings. In other words, she pays attention to the poems, as well as the music."

Start Buying and Stop Alibi-ing!!

The alibi of High Prices may still hold good in some commodities, but its as dead as a cock in a pit in the realm of clothes. Women's clothes, misses clothes, juvenile clothes, children's clothes, men's clothes, it makes no matter which, all are now at purchasable levels. We speak not alone for ourselves. We would naturally rather have you come here than go elsewhere. But we cannot in an advertisement of this kind permit our own selfish desires to obscure the larger consideration that apparel prices in nearly all stores are back to a condition of "normalcy."
